 A) Had it not been B) Were it not C) Be it not D) Should it not

V. Cloze (10 points) 答案一律答在答题纸上, 答在本试卷纸上无效。

The idea that some groups of people may be more intelligent than others is one of those hypotheses that dare not speak its name. But Gregory Cochran is 1 to say it anyway. He is that 2 bird, a scientist who works independently 3 any institution. He helped popularize the idea that some diseases not 4 thought to have a bacterial cause were actually infections, which aroused much controversy when it was first suggested.

5 he, however, might tremble at the 6 of what he is about to do. Together with another two scientists, he is publishing a paper which not only 7 that one group of humanity is more intelligent than the others, but explains the process that has brought this about. The group in 8 are a particular people originated from central Europe. The process is natural selection.

This group generally do well in IQ test, 9 12-15 points above the 10 value of 100, and have contributed 11 to the intellectual and cultural life of the West, as the 12 of their elites, including several world-renowned scientists, 13. They also suffer more often than most people from a number of nasty genetic diseases, such as breast cancer. These facts, 14, have previously been thought unrelated. The former has been 15 to social effects, such as a strong tradition of 16 education. The latter was seen as a (an) 17 of genetic isolation. Dr. Cochran suggests that the intelligence and diseases are intimately 18. His argument is that the unusual history of these people has 19 them to unique evolutionary pressures that have resulted in this 20 state of affairs.

1. [A] selected [B] prepared [C] obliged [D] pleased
2. [A] unique [B] particular [C] special [D] rare
3. [A] of [B] with [C] in [D] against

18. [A] linked [B] integrated [C] woven [D] combined
19. [A] limited [B] subjected [C] converted [D] directed
20. [A] paradoxical [B] incompatible [C] inevitable [D] continuous

VI. Translate the underlined part into Chinese : (20 points) 答案一律答在答题纸上, 答在本试卷纸上无效。

Naturally, the spirit of carnival and the enthusiasm for high military adventure were soon dissipated once the eager young men had received a good taste of twentieth-century warfare. To their lasting glory, they fought with distinction, but it was a much altered group of soldiers who returned from the battlefields in 1919. Especially was this true of the college contingent, whose idealism had led them to enlist early and who had generally seen a considerable amount of action. To them, it was bitter to return to a home town virtually untouched by the conflict, where citizens still talked with the naive Fourth-of-July bombast they themselves had been guilty of two or three years earlier. It was even more bitter to find that their old jobs had been taken by the stay-at-homes, that business was suffering a recession that prevented the opening up of new jobs, and that veterans were considered problem children and less desirable than non-veterans for whatever business opportunities that did exist. Their very homes were often uncomfortable to them, they had outgrown town and families and had developed a sudden bewildering world-weariness which neither they nor their relatives could understand. Their energies had been whipped up and their naiveté destroyed by the war and now, in sleepy Gopher Prairies all over the country, they were being asked to curb those energies and resume the pose of self-deceiving Victorian innocence that they now felt to be as outmoded as the notion that their fighting had "made the world safe for democracy." And, as if home town conditions were not enough, the

returning veteran also had to face the sodden, Napoleonic cynicism of Versailles; the hypocritical do-goodism of Prohibition, and the smug patriotism of the war profiteers. Something in the tension-ridden youth of America had to "give" and, after a short period of bitter resentment, it "gave" in the form of a complete overthrow of genteel standards of behavior.

**VII. Translate the following into English: (25 points)** 答案一律答在答题纸上, 答在本试卷纸上无效。

在我的后园, 可以看见墙外有两株树, 一株是枣树, 还有一株也是枣树。

这上面的夜的天空, 奇怪而高, 我生平没有见过这样的奇怪而高的天空。他仿佛要离开人间而去, 使人们仰面不再看见。然而现在却非常之蓝, 闪闪地眨着几十个星星的眼, 冷眼。他的口角上现出微笑, 似乎自以为大有深意, 而将繁霜洒在我的园里的野花草上。

我不知道那些花草真叫什么名字, 人们叫他们什么名字。我记得有一种开过极细小的粉红花, 现在还开着, 但是更极细小了, 她在冷的夜气中, 瑟缩地做梦, 梦见春的到来, 梦见秋的到来, 梦见瘦的诗人将眼泪擦在她最末的花瓣上, 告诉她秋虽然来, 冬虽然来, 而此后接着还是春, 胡蝶乱飞, 蜜蜂都唱起春词来了。她子是一笑, 虽然颜色冻得红惨惨地, 仍然瑟缩着。

**VIII. Writing (25 points)** 答案一律答在答题纸上, 答在本试卷纸上无效。

Presently, many college graduates choose to further their study instead of picking up a job. What do you think are the reasons? Write a passage in 250-350 words to give an explicit explanation. The passage should be effective, unified, coherent paragraphs using specific details and phrasing that demonstrates high level of English knowledge. Please entitle your article properly.
